Job Description – Heavy Equipment Operator

Job Responsibilities:

- Operate a variety of construction class vehicles, such as bulldozers, skid steers, excavators and front end loaders
- Perform preventative maintenance on equipment including oil and filter changes
- Maintain a commitment to health and safety
- Ancillary duties as requested by the owner or the acting Project Manager as needed

Qualifications/Skills:

- Attentive to detail and alert at all times to ensure safety
- Understanding of job site safety procedures
- Able to receive and follow instructions and communicate with co-workers
- Ability to meet the physical demands of the job (standing for long periods of time, lifting heavy loads of up to 50 pounds, working outdoors in all weather conditions, traversing uneven rugged terrain, etc.)
- Ability to travel to and live in primitive remote work sites for up to 6 weeks

Education, Experience, and Licensing Requirements:

- High school diploma or equivalent
- Valid driver's license
- 5+ years of experience operating heavy equipment
- Ability to safely operate various vehicles and equipment in off-road environments

Compensation
